

Approved Experiential Essay Topics

Social Science

Essay topics should be selected based off of personal or professional experience and the needs of the student program. Students should contact an academic advisor to determine program needs.

Possible Course Duplication - This identifies possible course duplication between the essay topic and other coursework. The essay descriptions listed below could duplicate the courses indicated and/or any other coursework required or completed. Please contact your AC or plac@phoenix.edu to verify there is no duplication with your chosen topic before writing an essay.

Possible Supporting Documentation - This section identifies possible or recommended supporting documentation for the chosen topic. This is to assist students in choosing appropriate documentation. It is not all inclusive. If you are unable to provide the possible supporting documentation identified please contact PLA customer service to discuss other options for appropriate documentation.

Lower Division Topics		
Course Title	Credit Award	General Education
Behavioral Self-Management	3 LD	Social Science
Course Description		
In the area of habit control (overeating, smoking, nail biting, substance abuse, and/or management of chronic disease), this course explores the theory and techniques of behavioral/cognitive-behavioral self-modification. The following subtopics are to be addressed:		
Subtopic 1:	general theory of behavior modification	
Subtopic 2:	identification and measurement of behaviors	
Subtopic 3:	charting and graphing of behaviors	
Subtopic 4:	selection of appropriate techniques or strategies	
Subtopic 5:	reinforcement	
Subtopic 6:	extinction and maintenance	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Biofeedback	3 LD	Social Science
Course Description		
Theory and practice of biofeedback, including a description and analysis. The following subtopics are to be addressed:		
Subtopic 1:	psychological factors of biofeedback	
Subtopic 2:	physiological factors of biofeedback	
Subtopic 3:	use of biofeedback as a method of relaxation	
Subtopic 4:	biofeedback in the treatment of stress-related disorders	
Subtopic 5:	sources of biodata (temperature, GSR, EEG, EMG)	
Subtopic 6:	use of various feedback machines	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, proof of treatment from CAM healthcare provider, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Child Welfare Services	3 LD	Social Science
Course Description		
An exploration of special services to children and teenage parents. The following subtopics are to be addressed:		
Subtopic 1:	Historical development, philosophy, and accessibility of child welfare services.	
Subtopic 2:	Exploration of income maintenance and homemaker services	
Subtopic 3:	Exploration of institutional and foster care	
Subtopic 4:	Exploration of day care	
Subtopic 5:	Exploration of adoption services	
Subtopic 6:	Exploration of child protective services	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Community Organization and Development	3 LD	Social Science
Course Description		
The following subtopics are to be addressed:		
NOTE Proof of involvement in a formal or informal community organization is required for this essay.		
Subtopic 1:	description and analysis of the theory of organizing groups to effect change	
Subtopic 2:	role of the professional organizer	
Subtopic 3:	examination of institutions showing why they change or fail to change	
Subtopic 4:	strategies for effective change	
Subtopic 5:	role of local leaders in effective community change	
Subtopic 6:	measurement of change in community organization	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Comparative Society	3 LD	Social Science
Course Description		
Analyze social organizations and institutions within the cultural contexts of selected societies. Compare and contrast historical and current differences. The following subtopics are to be addressed:		
Subtopic 1:	ideological processes	
Subtopic 2:	technical processes	
Subtopic 3:	organizational processes	
Subtopic 4:	cultural foundations	
Subtopic 5:	institutions	
Subtopic 6:	ethnic make-up	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Counseling for the Non-Specialist	3 LD	Social Science
Course Description		
An exploration of the attributes of a helping relationship. The following subtopics are to be addressed:		
Subtopic 1:	discuss the concept of a therapeutic relationship	
Subtopic 2:	define and discuss goals and outcomes of active listening	
Subtopic 3:	compare and contrast counseling and advice giving	
Subtopic 4:	discuss the role of observation	
Subtopic 5:	examine problems appropriate for counseling for value/behavior change, deciding upon change, helping the person change, maintaining change, and follow-up	
Subtopic 6:	discuss the concept of confidentiality in relation to a helping relationship	
Possible Course Duplication		
This course may duplicate courses of similar content.

Course Title		Credit Award	General Education
Creative Processes		3 LD	Social Science
Course Description			
Explores contemporary thinking and practice regarding different modes of thought, including potential gender, culture, and personality differences. The following subtopics are to be addressed:			
Subtopic 1:	thought processes and intelligence		
Subtopic 2:	rational versus intuitive problem-solving		
Subtopic 3:	reductionist versus holistic problem-solving		
Subtopic 4:	analytic versus synthesis in problem-solving		
Subtopic 5:	convergent versus divergent problem-solving		
Subtopic 6:	traditional versus creative problem-solving		
Possible Course Duplication			
This course may duplicate courses of similar content.			
Possible Documentation			
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content			

Course Title		Credit Award	General Education
Families in Crisis		3 LD	Social Science
Course Description			
Discuss the impact of crisis incidents (experience such as illness, accidents, addictions, violence, natural or financial disasters, etc.) on the family dynamics. The following subtopics are to be addressed:			
Subtopic 1:	examine family functioning, roles and relationships during non-crisis, normative transitions in the family lifecycle		
Subtopic 2:	analyze the changes in family functioning and coping mechanisms that emerge under non-normative stressors		
Subtopic 3:	describe shifts in roles and relationships that appear when crisis befalls a family		
Subtopic 4:	discuss social service agencies and sources of community support, the techniques and intervention strategies they use in assisting families to deal productively with crisis, stress and change		
Subtopic 5:	analyze the factors that influence a family's decision to seek/accept intervention from social service agencies or other sources of outside support		
Subtopic 6:	discuss the dynamics of post-crisis adjustment		
Possible Course Duplication			
This course may duplicate courses of similar content.			
Possible Documentation			
Professional letter, 2 or more personal letters, proof of selected experience and relationship of event to student, or certificate of completion for course of similar content			

Course Title	Credit Award	General Education
Home, Child, and Community Relations	3 LD	Social Science
Course Description		
A study of children and the family in the community. The following subtopics must be addressed:		
Subtopic 1:	value of cross-generational communications	
Subtopic 2:	interpersonal communication	
Subtopic 3:	interpersonal relations	
Subtopic 4:	offer insight about the use of community resources to meet the needs of children	
Subtopic 5:	identify the responsibility of home and community	
Subtopic 6:	role of the community in the development of children	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Introduction to Administration of Justice Systems	3 LD	Social Science
Course Description		
The following subtopics are to be addressed:		
Subtopic 1:	history and philosophy of justice in America	
Subtopic 2:	recapitulation of the system	
Subtopic 3:	identifying the various subsystems, role expectations, and their interrelationships	
Subtopic 4:	theories of crime, punishment and rehabilitation	
Subtopic 5:	ethics, education, and training for professionalism in the system	
Subtopic 6:	career opportunities related to local criminal justice agencies	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Introduction to Sociological Issues in the 21st Century	3 LD	Social Science
Course Description		
Discuss basic concepts of social structure and sociological analysis in a changing society. The following subtopics are to be addressed:		
Subtopic 1:	social systems and families	
Subtopic 2:	social and moral order	
Subtopic 3:	social problems	
Subtopic 4:	social change	
Subtopic 5:	how leisure affects the society over time	
Subtopic 6:	how concepts of work affects the society	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Introduction to Sociology	3 LD	Social Science
Course Description		
Description and analysis of fundamental concepts related to the study of people. The following subtopics are to be addressed:		
Subtopic 1:	social organization	
Subtopic 2:	culture	
Subtopic 3:	socialization	
Subtopic 4:	social institutions	
Subtopic 5:	social change	
Subtopic 6:	ethnicity and diversity	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title		Credit Award	General Education
Parenting		3 LD	Social Science
Course Description			
The following subtopics are to be addressed:			
Subtopic 1:	discuss the development of parenting skills		
Subtopic 2:	discuss parental values and attitudes that accompany stages in the development of the child		
Subtopic 3:	analyze methods of effective guidance		
Subtopic 4:	discuss the role of discipline; compare and contrast discipline with punishment

Subtopic 6:	discuss the challenges to responsible and effective parenting presented by contemporary society		
Possible Course Duplication			
This course may duplicate courses of similar content.			
Possible Documentation			
Professional letter, 2 or more personal letters, child's birth certificate showing the student as the parent, tax documents showing the child being claimed as dependent by the student, adoption paperwork showing the student as the adoptive parent, or certificate of completion for course of similar content			

Course Title		Credit Award	General Education
Pregnancy and Birth: Stages in the Life Cycle		3 LD	Social Science
Course Description			
The following subtopics are to be addressed:			
Subtopic 1:	pregnancy as a stage of human development		
Subtopic 2:	growth and development of the fetus		
Subtopic 3:	effects of pregnancy upon family members		
Subtopic 4:	health risks of mother and baby		
Subtopic 5:	societal and ethical issues, such as fertility treatments, teenage mothers, adoption		
Subtopic 6:	implications of genetic selection and counseling		
Possible Course Duplication			
This course may duplicate courses of similar content.			
Possible Documentation			
Professional letter, 2 or more personal letters, child's birth certificate showing the student as the parent, or certificate of completion for course of similar content			

Course Title	Credit Award	General Education
Psychology of Women	3 LD	Social Science
Course Description		
The following subtopics are to be addressed:		
Subtopic 1:	achievement motivation	
Subtopic 2:	career choices	
Subtopic 3:	competition and confidence	
Subtopic 4:	sex roles	
Subtopic 5:	male/female differences in problem solving and decision-making	
Subtopic 6:	women's life choices	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, proof of gender, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Racial and Ethnic Minorities	3 LD	Social Science
Course Description		
Identification of basic issues faced by contemporary racial and ethnic minority groups. The following subtopics are to be addressed:		
Subtopic 1:	recent legal immigrants	
Subtopic 2:	concerns of and about undocumented immigrants	
Subtopic 3:	social relations in communities	
Subtopic 4:	health care	
Subtopic 5:	employment and financial stability	
Subtopic 6:	education	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, proof of ethnicity, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Social Gerontology	3 LD	Social Science
Course Description		
The following subtopics are to be addressed:		
NOTE Experience with the aged must be first-hand. The student must have direct experience either through a professional or volunteer capacity, through direct personal relationships, or through the student's own experience with the aging process and corresponding issues of the aged.		
Subtopic 1:	Describe societal attitudes toward aging, age and status, and value to society of the aged.

Subtopic 6:	Discuss critical issues relative to death, and follow-up arrangements, and for the care of the survivor.	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, proof of power of attorney for an aged parent/relative, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Social Pressure and the Individual	3 LD	Social Science
Course Description		
The basic social organization structures and influence on individual choice. The following subtopics are to be addressed:		
Subtopic 1:	family structure	
Subtopic 2:	education structure	
Subtopic 3:	work and leisure time	
Subtopic 4:	religious groups	
Subtopic 5:	influence of social pressure on individual choice	
Subtopic 6:	influence of the media	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Social Problems	3 LD	Social Science
Course Description		
The following subtopics are to be addressed:		
Subtopic 1:	property	
Subtopic 2:	crime	
Subtopic 3:	urban decay	
Subtopic 4:	pollution	
Subtopic 5:	war	
Subtopic 6:	population pressures	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Social Psychology	3 LD	Social Science
Course Description		
Analyze human social behavior within the context of social behavior of individuals. The following subtopics are to be addressed:		
Subtopic 1:	the individual	
Subtopic 2:	the family group	
Subtopic 3:	the community	
Subtopic 4:	the ethnic group	
Subtopic 5:	the cultural setting	
Subtopic 6:	social institutions	
Possible Course Duplication		
This course may duplicate courses of similar content.		
Possible Documentation		
Professional letter, 2 or more personal letters, or certificate of completion for course of similar content		

Course Title	Credit Award	General Education
Sociology of Leisure	3 LD	Social Science
Course Description		
An overview of the scope, significance, and social consequences of the emerging leisure in America. A survey of the problems related to the transition from a work ethic to a leisure ethic. The following subtopics are to be addressed:		
Subtopic 1:	Identify the impact of physical health and impact
